ABOUT OUR COMPANY

Onestop is a leading resort and hotel furniture supplier based in Singapore, with factories in China, Indonesia, and Malaysia. Green Leaf is an Official Distributor of Onestop in Fiji.

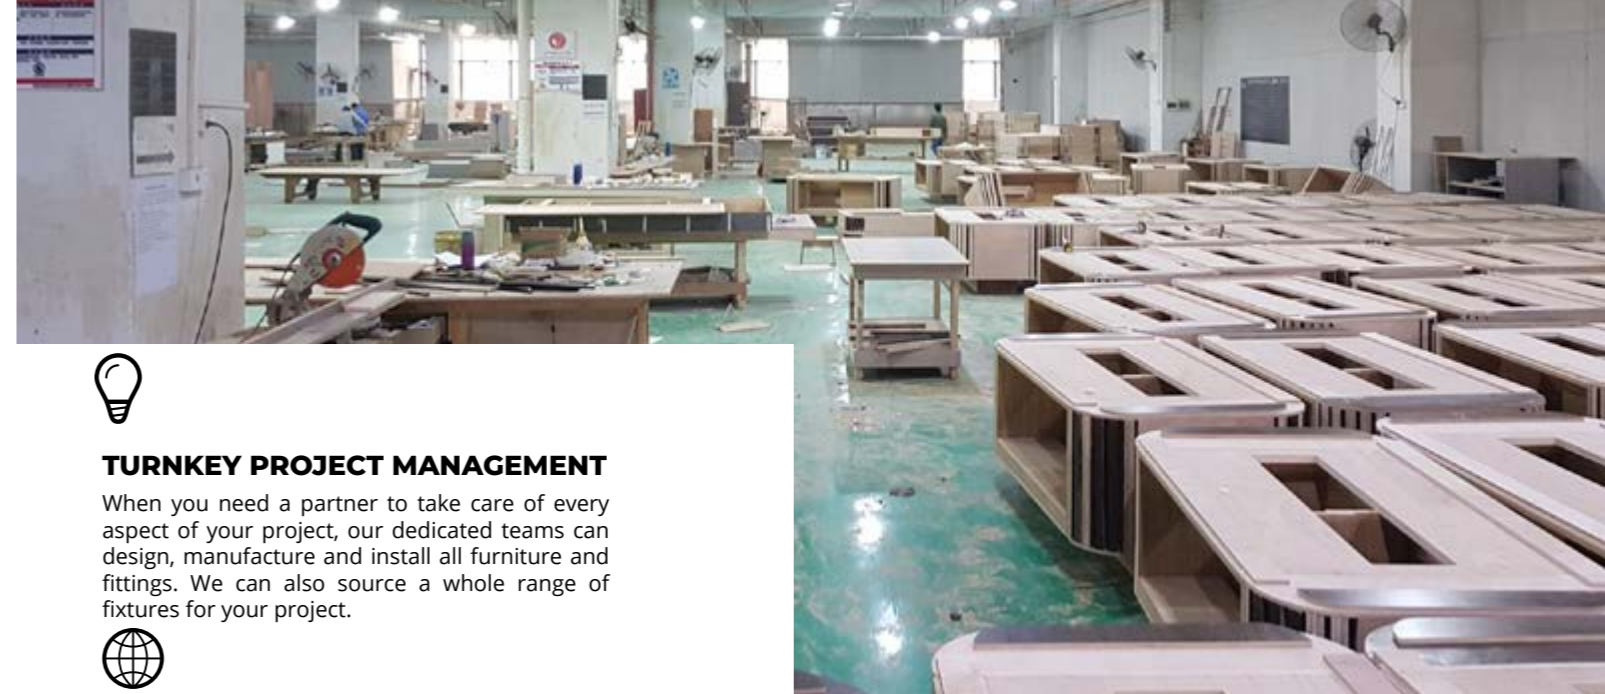

Onestop is a Singapore-based hospitality furniture provider driven by one vision: to be the best in the world. Over the past ten years, we have helped internationally renowned hospitality and architectural clients find solutions that exceed their design briefs and save them money.

The reason our clients return to Onestop again and again is twofold: we own our production facilities in China and we have close partnerships with factories in Indonesia and Malaysia, giving us complete control over the design, sourcing, manufacturing and logistical process. Our team of dynamic designers and skilled engineers source the finest materials and ensure each piece is true to the spirit of craftsmanship our clients expect.

Wherever you are in the world and whatever your requirements, Onestop has the perfect solution. Read on for more about what we can do for you, and to see some of our previous projects.

Green Leaf is operating joinery factory in Fiji aiming to produce exceptional quality and design products. We utilize rich variety of indigenous timber species typical to tropical Fijian environment. Our furniture and joinery factory is located in Nadi and equipped with modern machinery from Germany and Italy. We represent 25 years of experience and team of furniture and joinery manufacturing industry professionals – from designers to engineers. We provide comprehensive support to our manufacturing partner Onestop and take care of installation at clients site of all joinery items. This ensures we carry full responsibility from factory door to clients guest room providing complete peace of mind. We have been already involved in some projects around Fiji.

TURNKEY PROJECT MANAGEMENT

When you need a partner to take care of every aspect of your project, our dedicated teams can design, manufacture and install all furniture and fittings. We can also source a whole range of fixtures for your project.

MATERIAL SOURCING

Onestop can save you time and resources in searching for suitable materials for your project, thanks to our manufacturing partners across the region. Providing the best solutions for you is paramount, so we can cut costs without compromising on design intent.

CUSTOM FURNITURE MANUFACTURING

Your ideas are adaptable, so you need a partner who is too. Versatility in design style is where we thrive, and our carpenters' and crafts people's rich experience is apparent in every stunning piece we produce.

BUILT-IN FIT-OUTS & JOINERY WORKS

We ensure that all your joinery items are properly installed on site using our skilled team based in Fiji. In the same way if anything needs to be trimmed, cut or scribed - we take care of this matter locally. This means flawless results in shortest time possible.
